JUKI CORPORATION

June 27, 2016

## JUKI PARTS Website will open in July

JUKI PARTS Website will open on July 1<sup>st</sup>.

Current web parts list will be redesigned and portal website will also open. Useful informations, New products information and technical information etc, will be available in the website.

Everyone can use the new parts list as "Guest User". On the other hand, parts portal requires user registration. Our sales company will notice your new User ID soon.

■ **Contact information for inquiries about the release**
