

# Access Map to JUKI OHTAWARA PLANT

## Transportation guide

### ■ By train

Get off at either Nasu-Shiobara Station on the Tohoku Shinkansen or Nasu-Shiobara Station on the JR Tohoku Line.

### **[By taxi]**

It will take about 15 minutes from Nasu-Shiobara Station by taxi.

### **[By bus]**

Get on the bus at the bus stop of Nasu-Shiobara Station on the Nasu-Shiobara Station Line and get off at JUKI Ohtawara Koujyoumae. It takes about 40 minutes by bus and another about three minutes by foot.

### ■ By car

#### **[Expressway outward bound from Tokyo]**

It takes about 35 minutes from the Yaita Interchange Exit on the Tohoku Expressway or about 25 minutes from the Nishi-Nasuno-Shiobara Interchange Exit on the Tohoku Expressway.

#### **[Expressway outward bound from Fukushima]**

It takes about 25 minutes from the Kuroiso-Itamuro Interchange Exit on the Tohoku Expressway or about 25 minutes from the Nishi-Nasuno-Shiobara Interchange Exit on the Tohoku Expressway.

**(Note)** Be aware that if you are using the address or telephone number of the Ohtawara plant to reach the plant with a navigation system, the system may lead you to the north side of the plant and the main gate of the plant is located on the opposite side.
